

LEVEL 2 PRINCIPLES OF THE ROLE OF A FIRE MARSHAL

highfield
online training

The key to avoiding fire is understanding factors and behaviours within your business and carrying out a thorough assessment to minimise risk. This course is ideal for employee inductions, as refresher training for existing staff or for those looking to go on to achieve a recognised level 2 fire safety qualification.

Areas covered

- Introduction to fire safety
- The characteristics of fire
- Fire safety legislation
- Assessing and managing risk

Who is it aimed at?

Managers, supervisors and fire marshals or anyone taking a level 2 fire safety qualification. The course can also be used as part of the on-programme element of the new apprenticeship standards, supporting the knowledge, skills and behaviours apprentices need to effectively integrate into the workplace.
