Prepare:Protect

Coronavirus (COVID-19)

Also known as...

Coronavirus is a germ that can make people ill. You can help stop the germ spreading by washing your hands...

...after breaks and playing sports

...before cooking and eating

...after using the toilet

...before leaving home

...when you arrive at school or childcare

Do not touch your eyes, nose or mouth with unwashed hands

Do not share items that come into contact with your mouth, such as cups and bottles

Try **not** to share items such as towels, dishes and pencils

Catch it!

Kill it!

If you feel unwell, please tell an adult
