

# EMERGENCY FIRST AID AT WORK

Be ready to respond to workplace emergencies with Highfield's Emergency First Aid at Work course. This flexible online Emergency First Aid at Work course covers essential life-saving skills, helping learners act quickly, confidently and effectively in emergency situations. Designed for workplaces across all industries, it also supports progression towards the Level 3 Emergency First Aid at Work (RQF) qualification through a blended learning approach. On completion, learners receive a Highfield completion certificate.

To achieve the regulated Level 3 Award in Emergency First Aid at Work (RQF), learners must also complete practical training and assessment with an approved provider.

## Areas covered

- Understanding the role and responsibilities of a first-aider
- Assessing an incident
- Managing an unresponsive casualty
- Recognising and assisting a choking casualty
- External bleeding and shock
- Minor injuries

## Who is it aimed at?

The course is ideal for any employee or manager who wishes to become an emergency first-aider in the workplace.

## Multi-device compatible

This course is compatible with most popular desktops, tablets and mobile devices.
