

HEALTH AND SAFETY LEVEL 2

hot

highfield
online training

An ideal introduction to workplace health and safety for anyone working in a low or medium-risk environment. Upon successful completion, learners receive a Highfield completion certificate. This online course gives learners the knowledge and understanding needed to support progression towards the Level 2 Health and Safety (RQF) qualification.

Need the regulated Level 2 Health and Safety (RQF) qualification? Learners must complete the required assessment with a recognised training provider.

Areas covered

- Introduction to health and safety
- Legal responsibilities
- Risk assessments
- Workplace health, safety and welfare
- Work equipment
- Hazardous substances
- Fire
- Manual handling
- First aid

Who is it aimed at?

Suitable for learners needing a broader understanding of health and safety. It supports workplace induction, staff development and ongoing health and safety training, while providing the knowledge needed to progress towards the Level 2 Health and Safety (RQF) qualification.

Multi-device compatible

This course is compatible with most popular desktops, tablets and mobile devices.
